ABOUT THE INSTITUTION

Malad Kandivli Education Society's M.K.E.S. COLLEGE OF LAW was established in the academic year 2014-2015. The Institute is affiliated to the University of Mumbai & the Bar Council of India, New Delhi, for conducting LL.B. (3 years), B.A.LL.B. (5 years), and LL.M (2 years) recognised by the University of Mumbai. The College is accredited by NAAC with B Grade (CGPA-2.44) and is ISO 21001-2018 Certified. The college has earned the face of an upcoming law institute that pursues its vision of motivating the youth to engage in educational courses and other activities that will lead to the overall development and enhancement of their own interests. The Institute thrives to provide a concrete platform to mould the students to be a budding asset to the society. Our students are encouraged to follow their dreams and develop their thoughts and opinions towards an effectively trained personality. The college has been providing a strong fundamental base and platform for young lawyers to reach the pinnacle of their dreams and ambitions.

ABOUT THE CONFERENCE

In the contemporary era, law no longer operates in isolation. Rapid developments in technology, business, governance, environmental sustainability, healthcare, economics, psychology, and social sciences have transformed the nature and scope of legal systems across the world. Contemporary legal challenges demand interdisciplinary understanding and collaborative approaches for effective governance, justice delivery, and policy formulation.

The National Conference on “Law in a Multidisciplinary World: Perspectives, Practices and Emerging Trends” seeks to provide an academic platform for scholars, academicians, legal professionals, policymakers, researchers, and students to engage in meaningful deliberations on the evolving dimensions of law in relation to allied disciplines.

The conference aims to foster interdisciplinary dialogue on emerging legal trends, evolving practices, contemporary challenges, and innovative approaches influencing law and society at both national and global levels. It also seeks to encourage quality legal research and academic exchange among participants from diverse disciplines.

OBJECTIVES OF THE CONFERENCE

1. To provide a multidisciplinary platform for academicians, researchers, legal professionals, and students to deliberate upon contemporary legal issues and emerging developments in law and allied disciplines.
2. To encourage interdisciplinary research and dialogue by exploring the interaction of law with technology, business, governance, environment, economics, psychology, public policy, and social sciences.
3. To examine evolving perspectives and practices in legal education, legal systems, justice delivery, and governance in the context of rapid social, technological, and economic transformations.
4. To promote critical discussion on emerging trends and challenges in national and international legal frameworks.
5. To facilitate exchange of ideas, research findings, and innovative approaches among scholars and practitioners from diverse disciplines.
6. To encourage quality legal research and contribute to academic discourse on contemporary legal and socio-economic concerns.
