About Malad Kandivli Education Society

Education is not preparation for life; education is life it self ~ John Dewey

Education is the heartthrob of any civilized society. In 1942, when India was still under colonial rule, the need for education became crucial. Realizing this the visionaries of Malad and Kandivli areas came together and established "Malad Kandivli Education Society" (M.K.E.S.). Harboring the dream of providing high standard education, M.K.E.S., founded Sheth Nahalchand Laloochand High School in 1942-43.

Dedicated to the cause of education, the M.K.E.S. expanded its branches and established many new educational institutions. It has groomed many young minds into responsible citizens over these many years. Thousands of students have gone out of its portals and today occupy important positions in society. The Trust runs around various courses ranging from Schooling to Junior College and Graduation to Ph.D. with around 10000+ students studying in the Campus. The society has achieved many milestones in the field of education and one such significant milestone was the establishment of the **M.K.E.S. College of Law** in July 2014

The Law College is affiliated to University of Mumbai, Maharashtra & Bar Council of India, New Delhi. The Law College has shown tremendous growth in a short span of time. The Strength of an institution is measured not by number of students, but by its results, Quality of the faculty, its contributions for all-round development of its students, the achievement of the students, its inclusive nature and management of the institution. The Institution today has established itself as one of the prominent colleges of Western suburbs.

Our Vision Bhavishya Bharat

*Education for the youth
Education for all
Education for the future of our country*
