NOTICE

It has come to the notice of the college that some students are forming unofficial WhatsApp groups for college related activities.

All students are hereby strictly advised not to create or participate in any unofficial WhatsApp or social media groups. Any such group found to be circulating misinformation, inappropriate content, or engaging in discussions unrelated to academic or institutional matters will be considered a serious violation of college discipline.

Students found violating this directive may face disciplinary action as per the college rules.

For any college related communication, students may visit college during working hour or can use official email id available on website.

All the academic activity and information are conveyed to student through notice board
